Frequently Asked Questions

Will it cost money to get help?

No. There should never be a fee to obtain assistance or information about foreclosure prevention options from your mortgage servicer or a qualified housing finance agency. Never send a mortgage payment to a company except the one listed on your monthly mortgage statement. Beware of scams and anyone offering to help you for a fee.

What is foreclosure?

Foreclosure is the loss of your home through a legal process where your mortgage servicer or a third party acquires the property at a foreclosure sale.

What are the consequences of foreclosure?

You must move, or you will be evicted from the property. It may be as long as seven years before you are eligible for another mortgage. You and any additional borrower listed on the mortgage may experience negative credit implications.

Will the foreclosure process begin if I do not respond to my mortgage servicer's notices regarding missed payments?

If you disregard your mortgage servicer's notices, your mortgage servicer may refer your mortgage to foreclosure as authorized by your mortgage documents and applicable law.

Should I still contact my mortgage servicer if I have waited too long and my property has been referred to foreclosure?

Yes, the sooner the better! If you wish to keep your home, contact your mortgage servicer immediately. You may also contact a HUD-approved housing counselor and request a three-way call that would include you, the HUD-approved housing counselor, and your mortgage servicer to discuss your hardship. A HUD-approved housing counselor can also provide free advice on debt management.

Can I still be evaluated for mortgage assistance if my property is scheduled for a foreclosure sale?

Yes, but it is important that you reach out to your servicer as soon as possible to discuss potential options. If your mortgage servicer receives your complete Mortgage Assistance Application with only 37 or fewer calendar days before the scheduled foreclosure sale, there is no guarantee that your servicer will be able to evaluate you for mortgage assistance in time to stop the foreclosure sale. Even if your mortgage servicer approves you for a foreclosure alternative prior to a sale, a court with jurisdiction over the foreclosure proceeding (if any) or public official charged with carrying out the sale may not be able to halt the scheduled sale.

Will my property be sold at a foreclosure sale if I accept a foreclosure alternative?

No. Your property will not be sold at a foreclosure sale if you accept a foreclosure avoidance option and comply with its requirements.

What if I acquired an ownership interest in the property, such as through death, divorce, or legal separation?

You should contact us as soon as possible. We are here to help you adjust to these events and provide you with information on where to send the mortgage payments. Please contact us to obtain a list of documentation that is needed to confirm your identity and ownership interest in the property, and to discuss next steps.

Beware of Foreclosure Rescue Scams!

Scam artists have stolen millions of dollars from distressed homeowners by promising immediate relief from foreclosure, or demanding cash for counseling services. HUD-approved counseling agencies provide the same services for FREE. If you receive an offer, information, or advice that sounds too good to be true, it probably is. If you have any doubts, contact your mortgage servicer. Don't let scammers take advantage of you, your situation, your house, or your money. Keep in mind, your mortgage servicer is not responsible for paying damages resulting from a scam. Remember, help is FREE.

How to Spot a Scam – beware of a company or person who:

- Asks for a fee in advance to work with your mortgage servicer to modify, refinance, or reinstate your mortgage.
- Guarantees they can stop a foreclosure or get your mortgage modified.
- Advises you to stop paying your mortgage servicer and pay them instead.
- Pressures you to sign over the deed to your home or sign any paperwork that you haven't had a chance to read, and you don't fully understand.
- Claims to offer "government-approved" or "official government" mortgage modifications.
- Asks you to release personal financial information online or over the phone and you have not been working with this person and/or do not know them.

How to Report a Scam – do one of the following:

- Go to <https://www.consumerfinance.gov/complaint/> to submit a complaint and get information on how to fight back.
- Call (888) 995-HOPE (4673) and tell the counselor about your situation and that you believe you were scammed or know of a scam.

What are some options to help me stay in my home?

Forbearance Plan

If your situation is temporary, you may be able to make reduced or no mortgage payments for a specific period providing you with time to improve your situation and get back on your feet.

Repayment Plan

For customers experiencing a temporary hardship, New American Funding offers repayment plans to help you get back on track. If you qualify, you can pay an amount larger than your contractual monthly payment over a period (usually no longer than 6 months) until your loan is current.

Loan Modification

New American Funding offers loan modifications to help those who are having difficulty making mortgage payments. If you qualify, after a three or four-month trial period plan during which you make payments based on the projected modified terms of your mortgage, you may be eligible to permanently modify your mortgage so that your payments or terms are more manageable. This is a permanent solution to a long-term or continuing hardship.

Partial Claim (Note: This option is only available on loans insured by HUD or USDA)

As part of a loan modification, you may qualify for a loan in the amount that will bring your mortgage current. The loan is considered a subordinate lien that is payable when you pay off your mortgage. If approved, you will be required to sign loan documents as a part of this program.

If I have to leave my home, what are my options?

Short Sale

In some cases, you may not be able to keep your home. A short sale will allow you to sell your home for less than what is owed if you owe more than what your home is worth. This option will allow you to transition out of your home without foreclosure and in some cases, relocation assistance may be available.

Deed in Lieu of Foreclosure or Mortgage Release

You may be able to transfer ownership of your property to us when you are unable to sell your home allowing you to avoid foreclosure. In some cases, relocation assistance is available.

Borrower Certification and Agreement

I understand that I will be considered for all mortgage assistance options available to me. I certify the following:

1. All information in this affidavit is true and accurate and the events identified are the reason that I/we need to request a modification of the terms of the mortgage, short sale, or deed in lieu of foreclosure. Knowingly submitting false information may violate Federal and other applicable law.
2. I understand that if I have intentionally defaulted on my existing mortgage, engaged in fraud, or misrepresented any facts in connection with this document, the Servicer may cancel any Agreement and may pursue foreclosure on my home and/or pursue any available legal remedies.
3. I agree to provide my servicer with all required documents, including any additional supporting documentation as requested, and will respond in a timely manner to all servicer or authorized third party* communications.
4. I acknowledge and agree that my servicer is not obligated to offer me assistance based solely on the representations in this document or other documentation submitted in connection with my request.
5. I consent to the servicer or authorized third party* obtaining a current credit report for the borrower and co-borrower.
6. I consent to the disclosure by my servicer, authorized third party,* or any investor/guarantor of my mortgage loan(s), of any personal information collected during the mortgage assistance process and of any information about any relief I receive, to any third party that deals with my first lien or subordinate lien (if applicable) mortgage loan(s), including any investor, insurer, guarantor, or servicer of my mortgage loan(s) or any companies that provide support services to them, for purposes permitted by applicable law. Personal information may include but is not limited to: (a) my name, address, telephone number, (b) my Social Security number, (c) my credit score, (d) my income, and (e) my payment history and information about my account balances and activity.
7. I agree that the terms of this borrower certification and agreement will apply to any modification trial period plan, repayment plan, or forbearance plan that I may be offered based on this application. If I receive an offer for a modification trial period plan or repayment plan, I agree that my first timely payment under the plan will serve as acceptance of the plan. If my loan is insured by FHA/VA/RHS, acceptance of any offered plan is contingent on my signing and returning the plan agreement by the date specified in the offer. For an FHA/VA/RHS loan, sending timely payments under the plan terms without submission of the signed documents does not result in acceptance of the offered plan.
8. I consent to being contacted concerning this application for mortgage assistance at any telephone number, including mobile telephone number, or email address I have provided to the lender, servicer, or authorized third party. *
9. Non-Borrower Occupant (FHA loans only) – I acknowledge if a loan modification is approved based on the evaluation of this application, I will be required to sign the trial payment plan agreement and the loan modification agreement assuming liability of the loan under the new modified terms.
10. If I, or someone on my behalf, has submitted a Fair Debt Collections Practices Act Cease and Desist notice to New American Funding, I withdraw that notice and understand that New American Funding must contact me throughout the mortgage assistance process. I consent to being contacted at any telephone number, including mobile telephone number, or email address I have provided to New American Funding.
11. If I'm eligible for an assistance option that requires an escrow account to pay property taxes and/or hazard insurance and my loan didn't have one, New American Funding may establish one to make tax and/or insurance payments on my behalf.

* An authorized third party may include, but is not limited to, a housing counseling agency, Housing Finance Agency (HFA) or other similar entity that is assisting me in obtaining a foreclosure prevention alternative.

By signing this document, I/we certify that all the information is truthful. I/We understand that knowingly submitting false information may constitute fraud.

AUTHORIZATION TO RUN CREDIT ON A NON-BORROWING OCCUPANT

Complete this form if the mortgage assistance application includes income from a household member who is not on the Note.

For FHA loans, if a loan modification is offered based on the inclusion of non-borrower income, the non-borrower will be added to the loan and assumes personal liability for repayment of the Note in accordance with the agreed upon loss mitigation terms.

FHA and USDA loans require a non-borrowing occupant's (income contributor) debt obligations that appear on their credit report to be included in the borrower's debt-to-income ratio required to qualify for FHA and USDA assistance.

Please complete the sections below, sign and return this authorization along with your completed RMA.

I reside in the home at _____ and request my income to be included in the review for a modification on the loan secured by the property address that is the subject of this application for mortgage assistance. I consent to allow New American Funding to order a current credit report for me in connection with this application for mortgage assistance.
