

HOW TO VIEW AND ADD LOANS

1: Once logged in to the dashboard, in the top right corner is a drop down menu showing your current loan. Click the space next to the address and a listing of your loans will appear. Click **View all loans** or **Add a loan** to include a new loan.

2: Clicking **View all loans** will list all currently added loans to your account. You can select a Default Loan to be the one that shows up on the dashboard first. You can also create nicknames for each loan.

All loans				
Loan Number	Nickname	Address	Original Amount	Default Loan?
5016	Add	14835 W Acapulco Ln Surprise, AZ 85379	\$223,100.00	★

3: Clicking **Add a loan** will ask you to allow us to search for any loans linked your account. Click **FIND MY LOAN** to begin the search.
